

TCJSHS Internet and Technology Responsible Use Policy *(adopted 7/14/2015)*

The Tri-County Junior Senior High School believes that when students have access to technology for the purpose of resource sharing, innovation, and communication, in this 21st century society, they will develop skills to prepare them for future citizenship, work opportunities, and life. With that stated, we provide access to multiple different technologies for TCJSHS students and staff.

The mission of the TCJSHS 1:1 Initiative is to use technology effectively to increase student engagement thereby increasing student achievement in all areas. TCJSHS believes the advantages of using technology outweigh the potential for misuse. ***Families should be aware, that TCJSHS takes precautions to safeguard the material, to which your child has access. However, it is possible your child could come in contact with some material that may contain items that are illegal, defamatory, inaccurate, sexually explicit, or otherwise potentially offensive to some people.***

TCJSHS finds it imperative that our users understand their responsibilities and conduct themselves as responsible learners at all times. This Responsible Use Policy (RUP) outlines the guidelines and behaviors TCJSHS expects of its users, when using school technologies, a personally-owned device, ***a TCSC owned device, or TCSC provided accounts.***

I will:

- Bring my laptop to school fully charged every day.
- Carry my laptop in a protective case at all times.
- keep private information private. (My password and user ID are not for sharing with friends).
- treat others with respect, both online and offline.
- use suitable language free of profanity, vulgarity, or any other inappropriate language.
- strive to be a responsible digital citizen, and encourage others to act the same.
- use my laptop for school-related purposes during school hours.
- credit my sources when using other's information, images, or other material.
- respect the digital work of others.
- follow TCJSHS policies, rules, and regulations.
- treat TCJSHS technology equipment with care and respect.
- Uninstall any software that did not come pre-loaded on my laptop if it causes conflicts with any TCJSHS programs.
- Change any desktop wallpaper, or screen saver that does not reflect TCJSHS expectations.

I will NOT:

- read another student's private communications or schoolwork without consent.
- use/send improper language or pictures with TCSC provided devices or web resources.
- harass, intimidate, ridicule, or otherwise harm others electronically.
- pretend to be someone else online.
- give out my full name, address, or any other personal information to others.
- take pictures and record audio/video without the consent of that student/staff member

- search for, possess, read, view, or copy inappropriate pictures or information.
- damage, change, or tamper with the hardware or network in any way.
- decorate the laptop with stickers, skins, writing, or engraving.

I Understand:

- I could lose my files due to hardware malfunction. I shall maintain a back-up of all work.
- The Internet/specific sites may go down for reasons beyond the control of TCJSHS technology department.
- Not everything on the Internet is true.
- It is my responsibility to validate data researched on the Internet to be accurate.
- The use of the Internet provided by TCJSHS is a privilege not a right.
- the laptop is the sole property of TCJSHS
- ALL school personnel have full authority over my laptop.
- It is not appropriate to send pictures or messages of a sexual nature to others

Consequences for misuse:

- School administrators may revoke the 24:7 privilege of my TCJSHS issued laptop.
- I may be disciplined at school up to and including suspension or expulsion if I act irresponsibly or maliciously.
- In Indiana, [IC 35-42-4-4\(c\)](#), now defines the offense as a person who knowingly or intentionally possesses: (1) a picture, (2) a drawing, (3) a photograph, (4) a negative image, (5) undeveloped film, (6) a motion picture, (7) a videotape, (8) a digitized image, or (9) any pictorial representation; that depicts or describes sexual conduct by a child who the person knows is less than eighteen years of age or who appears to be less than eighteen years of age, and that lacks serious literary, artistic, political, or scientific value commits possession of child pornography, a Class D felony.

Internet/Technology Terms and Conditions

Technologies Covered

TCJSHS may provide access to Internet, desktop computers, mobile computers or devices (ipads, ipods, kindles, etc.), videoconferencing units, online collaboration capabilities, email, and more. This policy applies to all TCJSHS owned devices as well as personally owned devices utilizing TCJSHS owned network devices and Internet Access. This policy will also apply to any future technologies that are new to TCJSHS.

All TCJSHS provided technologies shall be handled with care. If you notice any damage to your TCJSHS provided technology, it is your responsibility to bring it to the IT department immediately. In the event that your TCJSHS provided technology needs repair, a loaner technology will be provided, only if a loaner item is available.

Web Access/Email/Web 2.0

All students, staff, and guests of TCJSHS may be granted access to the Internet. Access to the Internet will be filtered in order to keep our schools CIPA compliant. Web browsing activity can and may be monitored by IT or administrative staff. The logs may be retained indefinitely.

TCJSHS may provide users with an email account. The main purpose of this account is for school related purposes. This account will be terminated after you leave TCJSHS. Email messages will be archived and maintained according to county ordinances.

TCJSHS may provide users with accounts to different Web 2.0 tools. These tools may allow students and staff to work collaboratively on projects. These tools may also include message boards utilized for class participation. These may also be monitored, and you are reminded to communicate in a safe, courteous, respectful manner. This access also provided for school related use.

Security/Personal Safety

TCJSHS installs security software on school provided Technology devices. If you think your TCJSHS provided device has been infected with a virus or Malware, please bring it to the Technology department office immediately. **You are not to try and remove a possible infection on your own.**

Users are not to share usernames or passwords provided by TCJSHS. This is your personal account, and meant to be used by only you. Accessing another user's account will be considered hacking.

Users should never share personal information, including phone numbers, addresses, social security numbers, date of birth, or financial information over the Internet. Communications via the Internet are often anonymous, and all users should take practical safeguards to protect themselves.

Cyberbully will not be tolerated. Don't send messages or post comments with intent of scaring, hurting, intimidating, dissing, flaming, impersonating, tricking, or excluding another person. Behavior of the such will result in severe disciplinary action and/or loss of privileges. In some cases, cyberbullying may be a crime.

Terms of Agreement

Legal Title/Ownership of the TCJSHS provided technology is in Tri-County School Corporations name and shall remain in the School Corporation. The right of possession and use is limited to and conditioned upon full and complete compliance with the TCJSHS Internet and Technology Responsible Use Policy.

You will receive your TCJSHS provided technology at registration. If you do not pick up your TCJSHS provided technology at that time, it is your responsibility to stop by the IT department offices to pick up your TCJSHS provided technology by the first day of the school year.

Your right to use and possession of TCJSHS provided technologies will terminate no later than the last day of the school year, unless terminated earlier due to withdrawal from the District, or for various other reasons.

You agree to not remove any software pre-installed on your TCJSHS provided technology.

You agree to be financially responsible for any repairs not covered under current warranty. If the TCJSHS provided technology is damaged, lost, or stolen, the parent/guardian is responsible for

the reasonable cost of repair, or its fair market value on the date of loss. Loss or theft of the property must be reported to the School Corporation by the next school day after the occurrence and a police report may be required.

Disclaimers

TCJSHS will not be held responsible for:

- Loss of data, including but not limited to personal pictures, music, and/or personal or educational works. All students and staff are to maintain a personal backup procedure.
- Unauthorized financial obligations from on-line access while using TCJSHS provided technologies, or while accessing TCJSHS provided technologies with personally owned devices
